UPCOMING MEETINGS

NOVEMBER 10: Auction of material from the Warren Stevens estate. Something for everyone! Complete listing elsewhere in this newsletter. Also, one-page competition on "**Wacky Topics**." Think of the strangest topic your fertile imagination can come up with, and some country will have put it on a stamp! Be creative!

NOVEMBER 24: No meeting -
Thanksgiving

DECEMBER 8: Another brain-streching quiz from the devious mind of Ray Stone. No, you may not use your laptop computer to help win the prize. Also, one-page competition on any **winty topic**: skiing, Christmas, paying your fuel oil bill, etc. Plus our annual Christmas party and gift exchange: bring a gift valued at \$5 or less and take home a gift.

DECEMBER 22: No meeting.

JANUARY 12: Guest Speaker will be Dr. Louis Call, weather permitting. Check your next "Hinges" for topic.

JANUARY 26: (Tentative): "The Prexies to War" - a slide show prepared by Stephen L. Suffet.

RPA JOINS ATA

Just before RPA meetings ended for the summer, it was announced that our group is now Chapter 84 of the American Topical Association. The application was approved, and we could join without cost since we have well more than the required six ATA members in RPA. In fact, more than 20 of our members also belong to the ATA.

"*Topical Time*" is the bimonthly publication put out by the ATA for its members. The club's copy will be in the library and available for loan (don't forget to bring it back!). *Topical Time* is a good mix of articles, columns and regular features, all on topical collecting.

Since the RPA is a member, each of you is entitled to the benefits offered by the Topical Association.

Looking for more information on your special topic? The ATA publishes a number of handbooks with detailed information on stamps relating to a specific theme, and also make available to its members checklists of stamps on various topics. The list of the handbooks and their cost appears usually on the back cover of each *Topical Time*. The checklists are simply lists of Scott numbers for particular topics, and are charged for by the number of pages in each list.

MARTIN J. PRICE

Martin "Marty" Price, active member of RPA since 1984, died suddenly Sept. 19, 1994 of a massive heart attack. Marty faithfully attended most of the stamp club meetings, dinners and other events. He had numerous friends among the membership, and often expressed interest in their well-being.

Several RPA members attended his graveside service, as well as the gathering at the home of friends later in the day. Asked what we as a group could do in his memory, his nephew replied, "Marty thought so much of the stamp club and its members, that I'd like you to take the money designated for a gift and buy a cake, that all of you can enjoy."

So it was that we said "Shalom, Marty" at the Oct. 13th meeting, and each one present enjoyed a piece of cake, decorated with just those words.

CARL J. MEYER

The club also learned of the death of Carl J. Meyer, life member. He died Sept. 1, 1994. At the Sept. 22nd meeting a moment of silence was observed for both Carl and Marty Price.

Mr. Meyer was in his 80s when he died, and had suffered from limited vision for some time. The club has made a donation to the Association for the Blind in his memory.

SPECIAL DRAWING

A large wall hanging hooked rug made by Warren and Betty Stevens has been donated to the RPA to be used in any way the club chooses. After meeting and discussing this the board of directors have decided to raffle off the rug at 50¢ a ticket. Ticket sales will be from now until April 1995 during the ROPEX show.

Ticket sales will be limited to RPA and Kodak Stamp Club members, which the Stevens were active in both clubs. If sales do not reach \$50 by the time of the ROPEX show tickets will be sold to the general public at the show. It is hoped that sales will be good amongst our members in order that the rug stays in the Rochester area.

The rug, a large map of the world, will be on display at club meetings and tickets will be sold at that time. Tom Fortunato has offered to take the rug to the Kodak meeting.

STAMP SHOW CHANGES

The Rochester Stamp Show at Marketplace Inn on Jefferson Rd. will take place Saturday and Sunday Nov. 19 and 20 (not earlier as previously announced).

"Checopex 94", to be held Nov. 26 & 27, has been moved from its previously announced site to **Knights of St. John Bldg., 2379 Union Rd., Cheektowaga, NY.**

Christmas is coming, and a great gift for a stamp-collecting friend might be found at a stamp show, or from one of our member-dealers. If you aren't sure who they are, ask a member or officer for information.

SILENT AUCTIONS

Auction sheets are available at club meetings. You can take a small supply to make up advance lots. Remember no more than seven lots per member.
